Ontology Summit 2014 Launch

Team M: Program Management & Administrvia

Peter Yim

16 January 2014

(v 1.0)

Team M: Program management
(includes operations, logistics, production)

Track Co-champions: PeterYim, …
(*additional co-champions wanted!*)

Team M: **Mission**

This team is assembled to provide program management for the overall Ontology Summit activities; specifically, to provide support and facilitation for:

- organization and planning

- infrastructure and other resources

- process, operations and logistics, and

- to coordinate production of the program

Administrivia (1) - HomePage

The Ontology Summit 2014 homepage is at:

http://ontolog.cim3.net/cgi-bin/wiki.pl?OntologySummit2014

See also, homepage of the Ontology Summit Series:
at: http://ontolog.cim3.net/cgi-bin/wiki.pl?OntologySummit

Mailing List (async discussion)

- Make sure you are subscribed to the [ontology-summit] mailing list. That is where most of the asynchronous discussion will be carried out

- See participation details at:
  http://ontolog.cim3.net/cgi-bin/wiki.pl?OntologySummit2014#nid425W

- Track champions will start and moderate discussion threads on the [ontology-summit] mailing list; please prefix the subject lines

- This will be a high-traffic list; so, be prepared to re-configure the default delivery-to-inbox to allow instead, for: *filtering | digest-mode | no-mail-mode*

Wiki - workspace

Working pages will be available on the OntologyWiki, see:
http://ontolog.cim3.net/cgi-bin/wiki.pl?OntologySummit2014#nid4243

- Community Input pages for each track is for the everyone (you will need to create an account on the wiki the first time you edit) see: http://ontolog.cim3.net/cgi-bin/wiki.pl?WikiHomePage#nidA

- Synthesis pages are maintained by the Track Champions

Virtual Sessions
