Getting OOR Development Going – Take IV

17 September 2010

SemWebCentral OOR Project

- <http://semwebcentral.org/projects/oor>
- Subversion repository at http://semwebcentral.org/scm/?group_id=152
 - Not yet populated
- Public read access
- For write/commit access
 - Create a SemWebCentral account at <http://semwebcentral.org/account/register.php>
 - Send your login name to Mike Dean or Ken Baclawski

My Development Desiderada

- Incorporate continuing enhancements to BioPortal
 - e.g. new Internationalization/site customization support
- Migrate existing federation code

Next Development Steps

- Virtual machine images
- Gatekeeping
- Common Logic support

Upcoming Opportunities

- 7 November 2010
 - Semantic Repositories for the Web (SERES) workshop at ISWC 2010
