

Sebastian Schaffert - My Vision

- Semantic Wikis as a Platform!
 - media industry really **needs** by now platforms that combine social software, social networking and semantic technologies
 - Semantic Wiki idea is applicable to a large set of Semantic Social Software applications
 - core technology is always the same
- Semantic Wikis as a **seed** for Semantic Social Software

SemanticWiki mini-series session-6

5-Mar-2009

Sebastian Schaffert (Salzburg Research, Austria)
